Welcome to the new 2009 catalogue which includes some new designs and some favourites. You will find a bobbin a month club application form opposite but you can order individual ones, if you need any help with the wording of commemoratives please call, always happy to help.

When ordering please remember to state if you would like me to spangle the bobbins for you, cost will be £1 per Midland bobbin or 50p per travelling bobbin. All bobbins have been hand painted so slight variations may arise and please note that I do not recommend the use of bobbin winders as they can damage my painted bobbins.

LACE DAYS

I am pleased to attend your lace day or meeting, I only accept one invitation per month now so if you want me to come, book early! If I cannot come I will be happy to send a sale or return pack. This is a great way of buying bobbins, bobbins will be priced and sent a few days before you need them, all you have to do is complete the stock sheet and return any unsold stock together with your cheque. You will be invited to select one wooden bobbin of your choice as a thank you for dealing with monies and I will donate a prize. If it is a lace day, why not order some commemoratives?

If you have any queries do please contact me either by phone or email, look forward to hearing from you

Kind regards

Sarah Jones
